

REMARKS

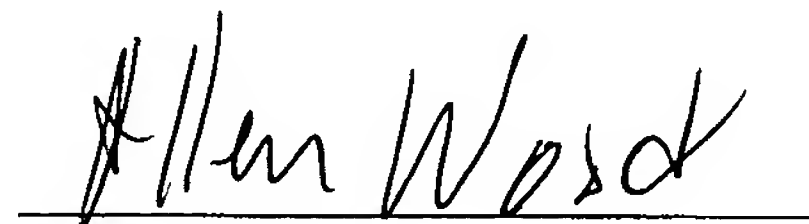

The Office Action of June 21, 2010 has been received and its contents carefully considered.

The present Amendment corrects the informality in claim 1 that is noted in section 3 of the Office Action. Accordingly, the objection should be withdrawn.

In response to the rejection for indefiniteness, in section 5 of the Office Action, the present Amendment changes "developed into" to "stored in" in claims 1, 5, and 6. It is respectfully submitted that this cures the indefiniteness, so the rejection should be withdrawn.

In view of the statement in section 6 of the Office Action that the claims would be allowable if the rejection for indefiniteness is overcome, it is respectfully submitted that this application is now in condition for allowance.

Respectfully submitted,
